

**CiRCe**

CiRCe Logo

Leave Statement broad

Statement:

"CiRCe focuses on providing localized communication research and resources to the Mid-Atlantic region to inform decisions on lessening our environmental impact and becoming more resilient in a changing world." (Karen says this is a working version of the statement, may want to revise.

For Audobon, all content is on front page

For Consortium there are links to other content

- Survey reports
- Opinion Maps
- Journal Articles

News scroll under Logo and Statement

No Social Media under CiRCe.

Social Media related to surveys YES, want to be able to have links to share each individual report on social media

Survey Page layout:

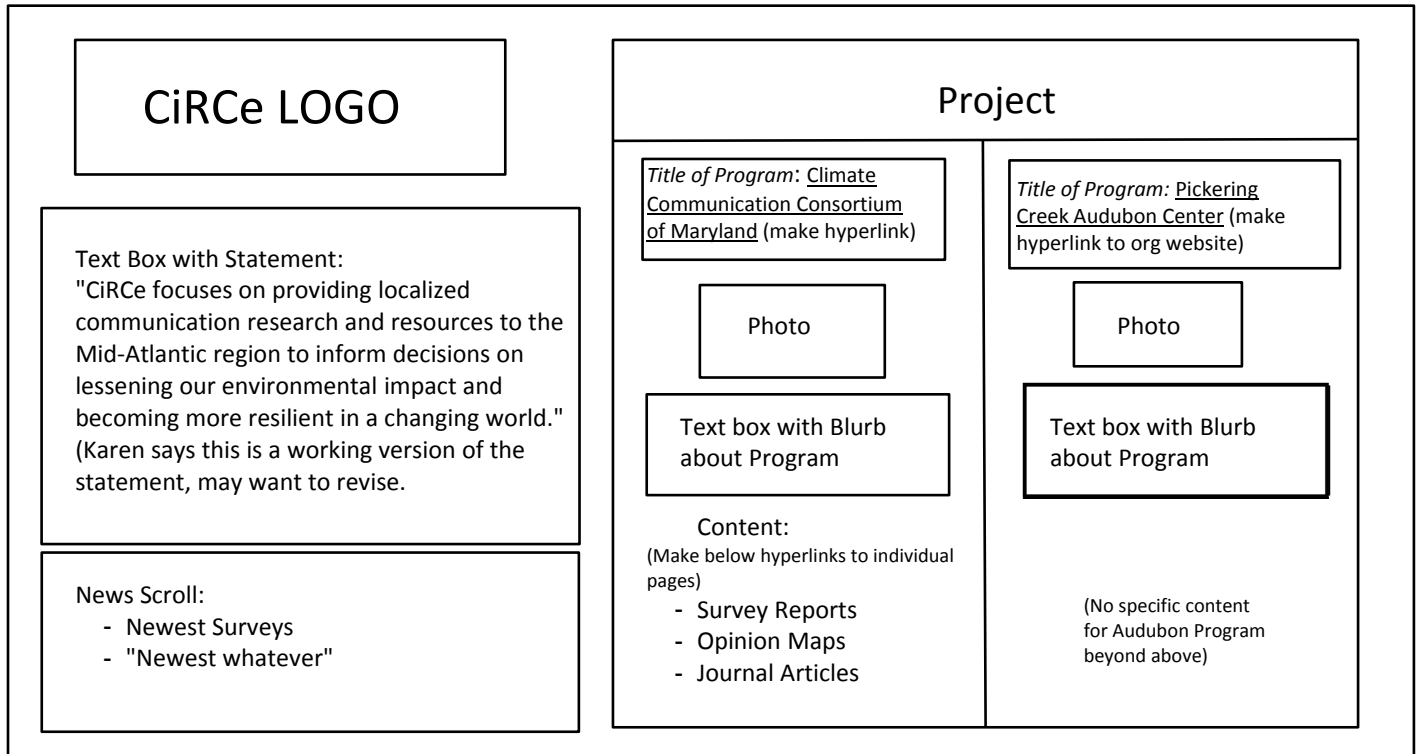

Click on image/icon for surveys to the left and pop up box with survey blurb (which Karen has already come up with), go to climate md website to cut and paste blurbs on surveys.

Opinion Maps by topics

Like Surveys layout, image of one of the maps to the left, click on it to reveal topic (ex. SLR public opinion maps 2015)

Pickering Creek Audobon Center

Below are Karen's website design ideas:

**Content Page Design** (for Survey Reports page, Opinion Maps page, and Journal Articles page. Same essential design for all)

## Content Page Design (for Survey Reports page, Opinion Maps page, and Journal Articles page. Same essential design for all)

Survey cover  
image --->

Survey #1 .....

Blurb summarizing survey w/ links to PDFs, and links to social media (a way to share the report via social media)

Survey cover  
image --->

Survey #2 .....

""

Survey cover  
image --->

Survey #3 .....

""

The above goes for Opinion Maps and Journal Articles as well as Survey Reports.

**\*\*\*NOTE: Exception\*\*\*** With the Opinion Maps, they will be organized by topic, with one map image to the left representing each topic, and a summary of each topic where the Blurb about the surveys are above.
